

Campaigning – Made in the Image of God

The fourth Objective of Mothers' Union is "to promote conditions in society favourable to stable family life and the protection of children". From very early days, members have campaigned on matters that they considered of importance to families. Recent campaigns have included the Millennium Development Goals and flexible working for parents. Currently, MU is involved in the Buy Bye Childhood campaign. Read about the campaign and think about how God might be calling you to be involved.

Look through the magazines and cut out an image that seems to distort our view of ourselves, and one which affirms it, then stick them on the collage.

Finish by filling in a label, tying it to the washing line, and taking a prayer card and conversations starters.
